**The Society is delighted to have received the following information regarding the recent Royal Bestowal and Decoration for Ubele van der Velden**

*To all involved for the Royal Bestowal and Decoration for Ubele van der Velden.*

*Dear colleagues,*

*I want to thank you all personally for your very important and strong motivational letters as supporting documents for the request of a Royal Bestowal and Decoration for our colleague and good friend Ubele van der Velden.*

*On September 18, after the scientific symposium and after his final lecture, Ubele was decorated by the mayor of his home town (Amstelveen), mr. Jan H.C. van Zanen. During the reception, mr. Van Zanen presented the clearly surprised and highly honoured Ubele with the decoration of Officer of the Order of Oranje Nassau. The mayor gave a very nice speech, please see*

*Thank you again, with my best regards to you,*
